

# CANNABIS

## KNOW THE DANGERS

Some cannabis laws have changed. Others have not. It is still **illegal and unsafe** to drive while impaired by cannabis.

Legalized cannabis **DOES NOT MEAN** that it's okay to drive while high

## Cannabis can impair judgment and motor coordination

Driving while high means:

Slower reaction time

Difficulty staying in lane

Distracted attention

Misjudging distance

**Driving while impaired by cannabis is dangerous no matter how it is obtained, which includes medical cannabis**

**Bottom line, cannabis impairs your ability to drive safely**
