

# Drugged Driving

Legal, Illegal, Prescription,  
OTCs

All drugs can impact your ability **to stay aware on the road.**

In NY in 2021, there were **1,875 drug-related crashes**

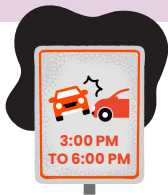

**1,854** 2020

**1,724** 2019

In 2021:

**260** crashes were fatal

**1,285** crashes were due to **illegal drug impairment**

In NY, drug-impaired crashes happen all week long with most occurring **during 3pm and 6pm.**

One pill can create a lot of problems. **Check your prescription bottle** before you get behind the wheel. It could save a life.

Remember, heavy machinery **includes your car.**

If you feel different,  
you drive different.  
**HAVE A PLAN**

Download the "Have a Plan" app for tools and information about getting a safe ride

*Funded by the National Highway Traffic Safety Administration with a grant from the New York State Governor's Traffic Safety Committee*

*\*2020-2021, NYS Institute for Traffic Safety Management and Research, March 2023*
