

National Impaired Driving Prevention Month

During National Impaired Driving Prevention Month, we recommit to stopping avoidable traffic deaths and keeping America's roadways safe by driving sober.

In December 2022, **893 crashes** occurred as a result of impaired driving

39 Crashes were fatal

328 Resulted in personal injury

526 Resulted in property damage

Driving impaired by any substance is dangerous as it can affect judgment, coordination, and reaction time, especially when operating a vehicle.
